

We're Nominated (Again) For the National Awards

February 7, 2020

This week the finalists were announced for the [Canadian Home Builders Association National Awards for Housing Excellence](#). We are pleased to report that we have six nominations to add to our portfolio!

Award winning renovations have been a huge aspect of Ultimate's history. High levels of design and quality have led to us being the most awarded renovator in Alberta, and hopefully we can add to our long list of winners.

On top of four renovation finalists, we also have a house nominated in the custom built homes category, as well as a marketing nomination for a heartfelt video we made about renovating your dream home ([view here if you are ready to get emotional about your home!](#)).

Here are the projects competing with the best of Canada this year. Check out our gallery or follow us on Facebook or Instagram for more pictures! Also, half of the finalist nominations are from our showhome, which is open every week for visitors. Come visit us if you want to see it in real life.
