

INTERIOR INSPIRATION AROUND THE WORLD

To add a worldly element to your home, try borrowing some of these interior design elements from other parts of the world.

RICHNESS FROM MOROCCO

Living spaces may be cozy, but the colours are bright and the art is large. And of course, the patterns are lively and appealing to the eye.

SIMPLICITY FROM SCANDINAVIA

Spaces are open, uncluttered, and neutral. Look for natural materials and ways to best utilize natural light wherever possible.

MINIMALISM FROM JAPAN

Natural wood, bright paintings, and symmetry define a Japanese room. To go all out, include a table low to the ground and a screen to divide rooms.

ROMANCE FROM ITALY

Airy spaces, big paintings, flowers, and shiny, polished floors surround the space, but beautiful furniture is the centerpiece of the room in Italian leather or bold fabric.

FUN FROM MEXICO

Clutter in the best way! Fun lamps, painted plates on the walls, candles, ornaments, pictures of your loved ones, and enough throw pillows to make you feel like you're on a cloud.

VIBRANCY FROM INDIA

Jewel-toned colours lay all over the room on pillows, rugs, tapestries, paintings, pots, and other decor against dark wood.

GLAMOUR FROM FRANCE

Baroque chandeliers and candelabras light up the large mirrors and tapestries line the walls while your lounge in a room of soft blue, white and decorative patterns.

TRADITION FROM CHINA

Art is indicative of folklore, myths, religion, or local landscapes. Red is a lucky colour to use, and rugs display a traditional pattern. And don't forget to add some bamboo!

COZINESS FROM SCOTLAND

Use materials with dark shades of red or green, and focus on the fireplace and mantle for both decor and functional heat. And yes, tartan patterns are loved.

UTILITY FROM NEW YORK

Exposed brick and old hardwood host mismatched furniture. The limited space makes wall art invaluable decor, and rooms instantly become multipurpose by nature.
